Updated July 2023

What's Fixed in GoldMine Version 2023.3

GoldMine Premium 2023.3.0 / GoldMine Connect 2023.3.0

88202	GoldMine Web: ACCOUNTNO with a @ followed by a alphabetical character or number: Additional Contacts cannot be displayed - Server Error An error has occurred on the server. Please contact your system administrator.
91352	Certain emails with an invitation.ics file will crash GoldMine when the email is opened. The same happens when you try to import the ICS file.
91615	Hyperlinks in emails are changed and location does not open
91768	No Alternate SMTP server possible with OAUTH. When setting up a default sending account, it still takes the Office 365 Account SMTP Server
91999	Certain emails containing contentEditable=false still are not editable when replying to them.
92981	Since introducing email saved automatically as drafts, drafts are lost and instead appear under email templates
93195	Constant Contact: The percentage information for Constant Contact campaigns seem not to match the figures and their calculation
93980	Evaluation version has been removed from the Registration Wizard. A valid license is now required to license/relicense GoldMine
